

A photograph of an outdoor furniture set on a patio. The set includes two dark brown wicker armchairs with white cushions and patterned throw pillows, a matching ottoman, and a small square table with a plant and fruit. The background shows a view of the ocean and distant mountains under a blue sky with light clouds. Pine branches hang down from the top left corner.

The background of the entire page is a photograph of an outdoor patio. In the foreground, there is a dark brown wicker armchair with a white cushion and a matching ottoman. To the right, a small wicker table holds a potted plant and a bowl of fruit. Another wicker chair is partially visible on the far right. The patio is set on a light-colored surface, and the ocean is visible in the background under a bright sky. The top left corner shows the branches of a tree.

- Care & Maintenance -

All Weather Resin

Our resin wicker furnishings are crafted from premium quality HDPE polyethylene, handwoven over reinforced rustproof aluminum frames. Lab tested for fade-, sag- and mildew resistance, our all weather resin is virtually maintenance free. To clean, use only a mild soap and water solution and rinse thoroughly.

Cast & Extruded Aluminum

The finest raw aluminum in the world is extruded on site, framed, and baked to a durable powder coated finish. The cast process begins with a hand-carved original, around which a sand cast is formed. The original is then replaced with molten aluminum. The solid cast aluminum is cleaned, polished and powder coated, and an antique finish is applied by hand. To clean, use only a mild soap and water solution, then rinse and dry thoroughly. Do not store furniture upside down as water may accumulate in extruded frames and cause damage in freezing weather. To extend the life of your furniture, store indoors during months of non-use.

Marble & Granite Tabletops

Marble and granite tabletops are crafted from natural polished marble or granite, then hand laid over a lightweight honeycomb base. This state-of-the-art technique offers the elegance of stone without the excessive weight. Tabletops are factory sealed to resist moisture and the elements. We recommend placemats and coasters to protect against food spills. To clean, wipe with a damp cloth and dry well. To repair or replace existing sealer, we recommend Aldon Chemical products available at www.aldonchem.com/erwin-marble.htm

QCF

- Limited Warranties -

Erwin and Sons all-weather resin wicker furniture is warranted against all defects in materials and workmanship for five years from date of purchase on aluminum frames and three years from date of purchase on resin weave and webbed seat supports. Cast and extruded aluminum furnishings are warranted against all defects in materials and workmanship for five years from date of purchase on frames and three years from date of purchase on the finish, unless it is abraded or scratched. Marble or granite tabletops are warranted against all defects in workmanship and materials for two years from date of purchase. Warranty excludes resealing, if necessary. If an item fails under the terms of this warranty, manufacturer will repair or replace that item. If discontinued, it will be replaced with a similar style and finish. All warranties apply to original owner only and require dated receipt. Normal wear and tear is excluded. Abuse, acts of nature, accidents or commercial use voids this warranty.
